## INA Rally Kumrovec once again under the patronage of Kolinda Grabar - Kitarovic

Traditionally the new motorsport season in Croatia will start in Kumrovec. 6. INA Rally Kumrovec 2017 is set to be held on first weekend in March. The patron of this international competition is the President of Republic of Croatia Kolinda Grabar - Kitarovic. After last year's record number of 70 crews at the start and 59 at the finish, the organizer hopes for a similar interest this year.

Preparations for the organization of the event are in full swing. The concept of race from past successful seasons was the basis for the redesign of the special stages. A very popular part of the course for the spectators which the cars are passing twice on each special stage has been held. The finishes of the special stages have been moved to the new positions.

"Such a changes of the route were made for the crews, in order to provide them the best possible conditions of competition. On the other hand, we wanted to continue the tradition of the cult site for the audience, which each year gathers thousands of spectators. They can see pretty long and attractive part of the track at just one place. Last year, there were more than 500 passing of the crews of that section of special stage"- said the Clerk of the Course of 6. INA Rally Kumrovec Zeljko Štefanić.

Applications for the competition will be accepted until February 24, and the race begins on Friday, 3 March, the attractive prologue in the parking lot of Terme Tuhelj. A day later, four more special stages will operate in the vicinity of Kumrovec. The itinerary is 59 kilometers long, of which 70% of waste in the special stages. Start and finish ceremonies will be held at the Museum of the Old Village in Kumrovec.
